# 'Going Places Together' Horsemanship Clinic at Sand Hills With Travis Kennedy April 28-30, 2023

Sand Hills State Park, 4207 E. 56<sup>th</sup> Avenue, Hutchinson, KS 67502

Sanctioned by the North American Trail Ride Conference

**12 Rider Limit**

Travis is from Hutchinson, Kansas. He started his career with horses at age 8 and started his first horse at age 14. Travis attended a clinic at Joe Wolter's ranch in Texas and it changed his entire outlook on horsemanship. For several years Travis returned to work with Joe. Joe Wolter worked for Ray Hunt and later became friends with Bill Dorrance and together they put on some of the first ranch roping clinics. Joe Wolter, Friend to Horse and Rider, is known for his deep understanding of horses and his patient, thoughtful approach to helping both horses and people. Through Travis's work with Joe Wolter, he learned there is a better way to work with horses.

Travis has spent 10-12 years training with and hosting clinics with Dave Weaver (The Original Californios). Dave is known for his classical horsemanship and California Bridle horse work. He focuses on horsemanship and how it applies to practical working situations.

Additionally, Travis has trained with Bryan Neubert. Bryan, who considers himself to be a continual student of horsemanship, also trained under Bill Dorrance, Ray Hunt and Tom Dorrance.

## What to expect from the clinic with Travis Kennedy

- Clearer understanding and communication between you and your horse
- How to present things so your horse understands what you are asking from him so he will be a willing partner not a reactive tool

Travis believes, "Horses are more than a tool, by working with their minds you can get your ideas to be their ideas and they will want to be with you. This is a game changer on how you start and interact with horses."

**Directions:** To reach the south parking lot of the park, take K-61 northeast of Hutchinson, KS, to the exit and head east across old K-61 to park camp ground entrance. **GPS:** N38 07.372 W97 50.746
