The clinic portion of this weekend will be a short introduction and Q&A session will be held on Saturday afternoon to prepare riders for the differences (no charge). The Novice/CP ride will be approximately twice around the park. The Open ride will entail approximately 3 circuits of the park. Terrain is barefoot friendly (grass and dirt). This ride is sanctioned by the North American Trail Ride Conference (NATRC) and NATRC members will earn points towards regional year-end awards and mileage.

Camping: There are about 12 electric sites, and priority for these will be given to management and judges. There is plenty of primitive parking in both non-electric sites and day parking sites. Pay for the camping at the time of the ride.
